HSE Policy Statement

Certification Engineers International Ltd is committed to ensuring Health, Safety and Environment at work as our primary business objective and are committed to the continual improvement of our Health, Safety and Environment at work place and performance.

Accordingly, Company aims to comply with all HSE legislative requirements applicable to the organization and shall generate continual effort for the improvement and prevention of HSE accidents, which may result in fire, security loss, damage, personal injury, illness or death and cause harmful effects to the environment. Company is committed to Occupation Health and overall wellbeing of its employees and will ensure efforts for sustainable development in all spheres of its operation.

The policy shall be communicated to all employees working for or on behalf of the company to ensure that it is understood, implemented and maintained by all levels. It shall be made available to interested parties on demand.

The policy shall be periodically reviewed to ensure that it is relevant and appropriate to CEIL businesses and its area of operations.

We expect all our employees to work safely and in an environmentally safe manner.

G Suresh
